

Ospidéal
Mhuire na Leanaí,
Cromghlinn

Our Lady's
Children's Hospital,
Crumlin

...where children's health comes first

Our Mission

Constantly improving the health and wellbeing of children and adolescents in a safe environment.

Driven by quality healthcare supported by excellence in Knowledge, Education and Research.

Our Vision

To be renowned internationally as a leading hospital providing for the health and wellbeing of children.

Our Values

QUALITY - We place consistent quality at the centre of our services to children, adolescents and their families.

DIGNITY - We respect the dignity of our patients, their families and our colleagues.

CARING - We are committed to holistic, individualised safe quality care for children and adolescents.

ADVOCACY - We advocate for the healthcare needs of children and adolescents.

UNITY - We recognise the importance of working together in unity with each other, our patients, their families, the wider health system & the community.
